### IMPORTANT NOTES

'Football is a contact sport, and accidents do happen. All players must ensure that they have adequate cover before playing, especially if they have commitments or are not employed in a job where they would continue to be paid if they were injured'. All Clubs must obtain player insurance equivalent to that provided by the County FA to be affiliated for the coming season, but this only pays out in the event of death or loss of limb and does **NOT** cover for loss of earnings. This is the minimum policy available for affiliation, but the County FA recommends a policy at increased premiums that pays out weekly while injured.

The League does not carry player insurance and you should check with your club what insurance is carried.

**Ensure that if you and your fellow team-mates need cover, they are covered BEFORE they play.**

**DISCIPLINE**  
**RESPECT LEAGUE**

**A GUIDE FOR**  
**PLAYERS, COACHES, TEAM MANAGERS AND CLUB OFFICIALS**

The League Management Committee and all Clubs playing within the LAL Competition having adopted **The FA's RESPECT** programme need to ensure that the behaviour of everyone connected with the LAL Competition is maintained at the highest standard.

**Responsibility for the behaviour of players, coaches, team managers and Club Officials lies primarily with Clubs.** However the League Disciplinary Committee will continue to monitor the performance of Clubs by conducting regular checks on discipline offences and will report any Club falling below an acceptable standard to the League Executive Committee who in turn may deem it appropriate to interview the Officials of the Club reported.

The League Management Committee is empowered to apply to the County FA for refusal or cancellation of the Registration of any player charged and found guilty of undesirable conduct as per Rule 18(G)(iii).

**However it is incumbent on Clubs to monitor their own discipline performance on a regular basis and to take action in those cases where the behaviour of players, coaches, team managers or Club Officials is seen to be unacceptable.** The actions which can be taken by Clubs can vary from counselling/mentoring to refusal of selection to play and, in the more extreme cases, disbarment from the Club. Clubs are encouraged to contact the League Secretary if any help or advice is required.

The following extracts from the RESPECT Codes of Conduct highlights the areas where Clubs' and the League's monitoring focus should be directed:

**PLAYERS**

- Display and promote high standards of behaviour
- Adhere to the Laws of the Game
- Promote fair play and behave within the spirit of the Laws of the Game
- Always respect the Match Officials decisions
- Never engage in public criticism of the Match Officials
- Never engage in offensive, insulting or abusive language or behaviour

## **COACHES, TEAM MANAGERS AND CLUB OFFICIALS**

- Show respect to others involved in the game including Match Officials, opposition players, coaches, managers, officials and spectators
- Adhere to the Laws of the Game
- Display and promote high standards of behaviour
- Always respect the Match Officials' decisions
- Never enter the field of play without the Referee's permission
- Never engage in public criticism of the Match Officials
- Never engage in, or tolerate, offensive, insulting or abusive language or behaviour

## **PLAYER DISCIPLINE COMMITTEE CODE OF CONDUCT**

In the light of both the League's and the Club's adoption of The FA's respect programme, The League Management Committee (LMC) has charged the Player Discipline Committee (PDC) with the role of monitoring the behaviour of Players, club officials, spectators and Clubs. The PDC has no powers to issue sanctions for disciplinary issues to Players or clubs; this can only be done by the parent County FA. While it is in the County FA that issues sanctions against Players and Clubs, the League is keen to take action when a Club's behaviour is threatening the reputation of the League.

## **FUNCTIONS**

1. To monitor individual Player discipline records.
2. To monitor the discipline records of all Clubs in the League.
3. Using the discipline reports from the parent County FA's create a recording structure that ensures equality of treatment of all Players and Clubs in the League.
4. To report to the LMC any concerns in regard to the discipline records of Players and Clubs in the League.

## **PLAYER DISCIPLINE**

The parent County FA's use a range of sanctions based on the severity of the offence.

1. Match bans. These can be for Saturday football or all football.
2. Fines.
3. Suspensions for a number of days up to sine die. The latter are for serious offences such as an assault on a Match Official or another Player.

The PDC will keep a record of all cautions and match suspensions for individual Players and any Player exceeding 10 match suspensions within a 2 year cycle will be reported to the LMC and *the League will seek permission from the parent County FA for withdrawal of the Player's registration as per League rule 18G(iii).*

In the case of a serious offence, such as an assault on a match official, this will be dealt with by the parent County FA. It will, of course, be recorded under the PDC's monitoring process.

Cautions and suspensions to be recorded for all matches by a LAL Player.

The PDC will use the following points system to compile a record of club discipline for all Clubs in the League and bring to the attention of the LMC any Club whose discipline record it feels is a cause for concern.

2 points for minor suspensions

4 points for foul and abusive and/or improper conduct

4 points for serious foul play and violent conduct

6 points for spitting at a match official or another Player

6 points for racial abuse to match officials, opponents or spectators

Clubs will be awarded the following points for cautions received:

1-10 cautions accrued – 5 points

11-20 cautions accrued – 10 points

21-30 cautions accrued – 15 points

31-40 cautions accrued – 20 points

41-50 cautions accrued – 25 points

51-60 cautions accrued – 30 points

Higher totals of cautions received will attract points on the same basis.

On reaching a total of 7 or more match suspensions reached in the 2 year cycle – warning letter to the club.

11 match suspensions (or 112 days) reached in the 2 year cycle – report to LMC

A written acknowledgement is required from the club in response to PDC letters in the 7 point category. A written acknowledgement and a specific outline as to the club's action against their Player for the 11

match suspension letter is mandatory. These replies to be received within 14 days.

### **WITHDRAWAL OF REGISTRATION PROCEDURE**

- (i) When a Player exceeds 10 match suspensions within a two year cycle the PDC will inform the League executive (LEC) with the relevant details of the offences.
- (ii) The Management/LEC will submit these details to the County FA to commence the withdrawal of registration procedure.
- (iii) If the County FA confirms the details submitted are correct then the LEC/Management Committee will withdraw the registration of the Player having established that the Player has brought the competition into disrepute.
- (iv) The Management/LEC will inform the Club of the decision to withdraw registration and of the County FA decision.
- (v) The Club/Player has the right of appeal to the FA. See rule 18(G) (Note) on page 32 of the League Handbook.

### **CLUB ADMINISTRATION, CLUB OFFICIALS AND SPECTATORS**

Any Club, Club Official, Manager, Coach or Spectator found guilty by the parent County FA of offences under FA rules E3 (improper conduct) and/or E20 (failure to control Club Officials, Players, Spectators etc) shall be reported to the LMC. In the event of repeat offences the Club will be called to a meeting with the LEC or LMC to discuss their behaviour and the LEC or LMC may seek to have the Club expelled from the Competition as per rule 12(B)

PDC monitoring process in these circumstances:

1 point for £25 fine awarded by County Association.

2 points for £50 fine awarded by County Association

3 points for £75 fine awarded by County Association

4 points for £100 fine awarded by County Association

Repeat offences will attract double points dependent upon the value of the second and subsequent fine.

## REFEREES' INSTRUCTIONS

---

**Please read these instructions carefully, as they may differ from those of other competitions. ALL instructions must be fully complied with by each referee.**

---

1. All appointments must be confirmed to the Referees' Hon. Secretary once received. Otherwise without any further notice they may be sent to another official. Once having accepted an appointment with this League, **You must not accept** another appointment from any other competition without first having applied for and received your release from the Referees' Hon. Secretary. In making such an application for release, full details of the subsequent appointment must be given. Officials engaged by senior leagues please note that nil appointments of this League are notified to all senior competitions to prevent overlapping of engagements, and **it is essential that all appointments with this League are returned or confirmed by return of post or other means.**
2. In accordance with Rule 23, home clubs must notify in writing or by telephone the appointed referee of location of ground and time of kickoff, at least 48hrs prior to the date of the match. The referee appointed **MUST acknowledge this within 24 hours**, in writing, email or by telephone.
3. Referees who find themselves available for matches at short notice or to take other game after receiving their list of matches are asked to contact the Referees' Hon. Secretary, who will be glad of their services, and who will make every effort to fill open dates given.
4. Should you find you are unable, through illness (or other cause), to fulfil your engagement, please **inform the Secretary of the HOME CLUB** and the Referees' Hon. Secretary **IMMEDIATELY**. Remember he has to find a substitute to take your place, and this takes time. You can save much work if you give consideration to the heavy duties undertaken in making appointments.
5. Travelling expenses (as per Rule 23(E)) must be kept to a reasonable amount. **All referees will show the travelling expenses only charged by the home club** on LAL/4 (Referee's match report form). These will then be collated and totalled for all first and second team games within the league, and averaged in an Equalisation of Expenses exercise.
6. (a) Referees' fees as per rule 23(E). Should by reason of a pitch being unplayable, and you travel to that match, then a half fee, plus expenses, is payable. If the game is not played for any other reason, then the appointed match officials are entitled to full fee and expenses Rule 23F.

7. Matches must commence at the stated time according to this handbook, and repeated as item 12 of these instructions. Referees are instructed to be themselves ready **on the field of play** at such stated time, and must report in writing all late starts and short teams to the League Hon. Discipline Secretary, stating the defaulting club or clubs.  
If either team has not arrived 15 minutes after the appointed kick-off time (Saturday matches only) then the referee at his discretion may call the match off. **The onus, however, is on the referee to wait that length of time.**
8. All matches shall be played under the Laws of the Football Association, and the provision of goal nets, corner flags and a First Aid kit (within two yard of the touch line and at the centre line) and an adequately marked out pitch is **compulsory** under League rules and is the responsibility of the home club. Any inadequacies should be reported on the match report form. In addition, a separate changing room is to be provided for referees, **which it is expected all referees will use.** This shall have direct access to showering/ bathing and toilet facilities.
9. Please note that the Lancashire Football Association **has requested all referees** to examine the studs of players' boots prior to each match. If teams arrive in colours which are similar, play should not commence until one changes to a distinctly alternative strip.
10. Make sure you receive from the home team, **before the match**, the report form (LAL 4) complete with players' names thereon, and please fill in all other relevant details of completion of the game, using the back of the form for any comments you feel relevant. In order to assist in the selection of possible League side players, it would be of assistance if referees would note the names and positions of all outstanding players.
11. At a club's discretion, **five substitute** players are allowed at any time in a League or Cup match, except to replace a player who has been dismissed from the game by a referee. The five substitutes must be named, and their names given to the referee prior to the commencement of the game. A player who has been replaced by a substitute player, himself becomes a substitute, and may be allowed back onto the field of play. See Rule 20F.
12. Kick-off times
  - A) For League games - August to October and March to May inclusive: 2.30 p.m. November to February inclusive: 2.00 p.m. Ko times may vary in exceptional circumstances due to ground availability.
  - B) For Cup competitions - see relevant competition rules.
13. **ALL cases of misconduct** must be reported by the referee within two days (Sundays not included) to the Secretary of the relevant County Football Association.

14. Referees are marked by clubs out of 100 as directed by the Football Association.
15. No application for retention on Referees' List is necessary, as this League is operating fully the Football Association Points Award scheme.
16. Should you require any guidance or information, do not hesitate to write to the Referees' Hon. Secretary. All letters requiring a reply must be accompanied by a stamped addressed envelope. Should you feel the quality of hospitality shown by a club, to either yourself or a visiting team, is worthy of note or comment (in either a good or derogatory sense), then please let the League have your comments, as feed-back is always useful.
